

## **Update on Vaccinations due to Covid19 for Year 9 BOYS**

In normal circumstances, we would be due to visit your child's school in the summer term to complete the Year 9 Meningitis ACWY and DTP booster vaccinations. Given the current situation we find ourselves in with schools only open for key worker students, we are not able to complete the programme as planned. We hope to rebook your child's school session as soon as possible when students return to normal education.

In order for us to be as prepared as possible, please complete your child's consent following the below link indicating whether you give consent or not for both or either vaccination.

<https://saint.sompar.nhs.uk/dtp/2019/east>

If you have any queries or issues completing the form then please contact Somerset SAINT on 0300 323 0032 or somersetsaint@sompar.nhs.uk (Not your child's school)

We will endeavour to inform you of a date to vaccinate at your child's school as soon as normal business resumes. Please do not contact your GP for these vaccinations, as they will not be able to offer them at this time
