Dear Parent/Carer,

Thank you for your continued support at this difficult time, I hope this finds you and your families safe and well.

We are pleased to inform you that all English Literature grades have now been sent off to the respective exam boards.

Our staff have worked incredibly hard to give gradings based on a range of evidence of students' work from the past two academic years. This has been moderated and checked thoroughly by the head of department and senior leaders, to ensure that all grades are fair, consistent and objective. The process has been informed by, and is consistent with Ofqual guidance, exam board instruction, and other Somerset and national academies/schools. These will now undergo statistical standardisation by Ofqual before a Centre Assessed Grade will be awarded. Ofqual's statistical model will operate on a subject level, looking at historical and contextual factors, the performance of students nationally and students' prior attainment.

The final results will be issued to students on 20<sup>th</sup> August 2020. We will inform Year 10 students of their grade via email to their school email address on this date. On the day the academy site will not be open for Year 10's to collect the results in person. If you have any queries or questions relating to the results following their publication, please contact the academy via email or main reception on 01935 424 454 and we will endeavour to respond as soon as possible.

Please can you ensure your son/daughter is able to access their academy email account over the next few days and will be able to remember their password on August 20<sup>th</sup>. If there are any issues accessing this, please contact the academy as a matter of urgency so that we can ensure that all students have the facility to access their results.

If you have any further questions please feel free to make contact via the main office or email: [office@bucklersmeadAcademy.com](mailto:office@bucklersmeadAcademy.com)

Once again, I would like to thank you for your continued support, we are very much looking forward to seeing all Year 10's again in September.

Yours faithfully

P Balkwill  
Assistant Head (Raising Standards Leader)
