Dear Parents and Guardians

We are continuing forward with some pace with our move to Midsomer Norton Partnership Trust. The CEO of the Trust, Alun Williams, has put together this short video, which he has asked me to share with the Buckler's Mead community.

Here is the link to the video. <https://youtu.be/jTmptotomOw>

As I have previously stated, we believe this is a really exciting development for Buckler's Mead Academy. The secondary schools who are already part of the trust are successful ones, and the trust has a proven track record of improving schools.

An enormous amount of hard work has gone in at Buckler's Mead since September 2019. We have always been outward looking as we have strived to make changes and improve the Academy. We believe this is the right next step to take us on the next part of our journey I am sure this will provide great outcomes for our students and a great experience of school life overall.

Yours sincerely

MARK LAWRENCE
